Driving license (B)

Availability for  
internacional mobility

## !PROFILE

Versatile, intellectually curious, with a high degree of emotional intelligence and a multidisciplinary background that combines the objectivity of IT and Engineering with the creativity of Multimedia and Arts - besides the vast experience in dealing with clients.

I seek to join a healthy, dynamic, forward-thinking organization in the IT field that recognizes and benefits from my enthusiasm, resilience, work ethic and wide-ranging skills. Let's get to know each other!
